

# FEBRUARY 20-22 2020 VICTIM OFFENDER DIALOGUE (VOD) TRAINING

- The Restorative Justice Mediation Program (RJMP) offers crime victims and juvenile offenders an effective alternative to the traditional criminal justice system.
- We provide offenders referred by probation, the public defender's office or the District Attorney's office a chance to take responsibility and make amends directly to the person they harmed, as well as give the victim a voice and provide financial and psychological restitution. The process begins the healing for the victim, the offender, and the community.
- This training is intended for all persons interested in becoming RJMP facilitators but will also benefit school teachers, youth workers, defense attorneys, and everyone in between.
- Benefits to becoming a volunteer with RJMP include: the satisfaction of helping others "work things out", certification as a VOD facilitator, conflict resolution skills to enhance your own relationships.
- What it takes to become a volunteer facilitator:
  - Completion of an RJMP certification process;

Training will be held at 3888 Paducah Drive, San Diego, 92117
